## INFORMATION MEMORANDUM NO. 6

**DATE:** April 22, 1994

**TO:** County Grant Administrators  
County Representatives

**FROM:** Gaylord H. Yund, Acting Executive Director  
State Survey and Remonumentation Commission

**SUBJECT:** Peer Group Stamps

By a motion of the State Survey and Remonumentation Commission at its February 23, 1994 meeting, **a stamped marking is required to be placed on each Land Corner Recordation Certificate (LCRC) filed with the Commission for 1994 and subsequent years** The stamp is to be of a size that will not interfere with any portion of the text of the LCRC and it will:

1. be affixed to each Land Corner Recordation Certificat filed with the Commission;
2. be initialed or signed by the County Representative; and,
3. indicate the date that the Peer Group ratified the corner.

As a reminder to all counties, every corner must have Peer Group ratification by a minimum of three non-associated members of the Peer Group prior to recording with the Register of Deeds and filing with the Commission. Also, a monumentation surveyor may not consider or vote on his/her own corners for ratification as a member of a Peer Group.

If you have any questions, please contact the Survey and Remonumentation Office at the numbers listed below.
